History: Built and operated in the 1850's.
 Carson Hill, near Angels Camp and Melones
 was scene of much gold mining activity and
 in 1854 one lump of gold weighing 2340 troy
 ounces was recovered.

Description: Roadside general merchandise
 store consisting of three gable end bldgs.
 adjoining each other with a (cont)

covered wood marquis supported by wood posts at front of two of the buildings. The third building was constructed of stone rubble walls and wood gable. Exposed wood finish of front - wood rustic. Corrigated iron roof.
